

REMARKS

Applicant appreciates the Examiner's indication in the July 13, 2006 Advisory Action that the Response to Final Office Action dated June 13, 2006 would be entered for purposes of appeal.

The amendment to Claim 1 herein incorporates the features of cancelled dependent Claim 29 therein. Thus, no additional issues are presented for consideration. Therefore, entry of the amendment is respectfully requested.

The claims are believed allowable for the reasons provided in our June 13, 2006 Response, said arguments being incorporated herein.

Further, the container and the materials being stable at least within the temperature range recited in Claim 1 is not believed present in the applied prior art.

For the reasons set forth above and in Applicant's June 13, 2006 Response, reconsideration and allowance of Claims 1, 2, 4-10, 12-20, 22-27 and 30-35 is respectfully requested.

Further and favorable reconsideration is respectfully requested.

Respectfully submitted,

Brian R. Tumm
